Agriculture for Nutrition and
Health (A4NH)**

Equity Consultation

FRIDAY, NOVEMBER 30

7:30-8:30AM

LOTUS 13, CENTARA GRAND

In this session, part of a series A4NH is conducting in regions around the world, A4NH seeks to learn about equity work at partner organizations in Southeast Asia, as well as throughout Asia and Africa; inform partner organizations in the region about A4NH's equity work; and identify priorities for equity research, resource and information needs related to equity, and recommendations for A4NH's equity strategy.

For more information or to request an invitation, please contact Hazel Malapit at H.Malapit@cgiar.org
